Re: Restriction of Hazardous Substances (RoHS) Compliance

To Whom It May Concern:

Please be advised that Mechanical Rubber Products, Co., Inc. manufactures and sells rubber products which are compliant with the Environmental RoHS (Restriction of Hazardous Substances) European Union Directive for supply to all European Union member countries, as well as China RoHS 2 legislation SJ/T 11364-2014.

To the best of our knowledge, Mechanical Rubber does not use or purposely add any of the following substances or phthalates in the manufacture of our parts: antimony compounds, BBP, brominated dioxins or furans, cadmium, chlorinated paraffin, DBP, DEHP, DIBP, hexavalent chromium, lead, mercury, PBB's, PBD's, PBDE's, PPDE's, PVC or their compounds.

This determination is based upon information from sources which Mechanical Rubber believes are reliable; however, the information is provided without representation or warranty, expressed or implied, regarding accuracy or correctness.

Please visit <http://www.rohsguide.com/roh-faq.htm> for information regarding this directive.

Should you require additional assistance regarding this matter, please feel free to contact us at admin@mechanicalrubber.com.

Sincerely,

Alisa Sherow
